Apiary registration for 2023

In accordance with Section 29043 of the California Food and Agricultural Code, you are required to register your apiary with the Agricultural Commissioner of the county in which your bees are kept. Persons registering their apiary for 2023 must do so before December 31, 2022 or when your apiary first enters the county. Migratory beekeepers should list months of activity in the county. **NO FEE FOR 2023 APIARY REGISTRATION.**

ORANGE COUNTY AGRICULTURAL COMMISSIONER
REQUEST FOR PESTICIDE NOTIFICATION

I hereby request to be notified before pesticide applications as provided for in Section 29101 of the California Food and Agricultural Code and Title 3 California Administrative Code Section 6654.

I am available for notification during a two-hour time period, (*indicate hours here*) _____ to _____, each day by call to the following phone numbers and email:

Telephone Number	() -
Telephone Number	() -
Email	

I understand that if I fail to submit my request for pesticide notification to the Agricultural Commissioner **by mail within the 72-hour period** before relocating, I may not be entitled to recover damages for any injury from pest control operations. I also will not recover damages if I fail to properly post an identification sign at my apiaries or am not available for notification at the hours and phone numbers I have designated above. I understand that this "REQUEST FOR NOTIFICATION" will expire in on December 31, 2023.
